Fees

Jiffy Mobile Notary's shipping, handling, and coordination fees are based on the total number documents to be *Apostilled*, or legalized, and level of expediency required. For example, if you need the documents in a day or two, if time permits, we offer expedited services that includes driving to Salem, Oregon and back for walk in *apostilles*, as our schedule permits. There is more work involved in non-Hague countries. In short, the faster you need these documents the higher the fees. Our fees range from \$75.00 for the first *apostille* and \$25.00 for each additional *apostille* for standard services plus shipping and handling.

The fee to authenticate documents via the Oregon Secretary of State (SOS) is an additional \$10.00 per document. Please allow seven business days, using overnight FedEx to the SOS and plan to invest in an overnight prepaid return shipping label back to either you, the notary, or to the *Apostille* requestors or Embassy Legalization destination.
